POLICY ON LATE WITHDRAWAL REQUESTS: See Academic Concession:

<http://okanagan.students.ubc.ca/calendar/index.cfm?tree=3,48,0,0>

Students may request academic concession in circumstances that may adversely affect their attendance or performance in a course or program. Such circumstances include:

- a medical condition;
- emotional or other problems;
- military service.

Students wishing to request academic concession from the Office of the Dean must apply as close as possible to the time attendance is adversely affected. In considering these requests or any appeals of decisions on academic concession, the dean's office will not normally take into account untimely notifications. Students requesting academic concession will be asked to provide such evidence as is deemed appropriate. If there is a medical problem, students should submit supporting documentation from their attending Physician.
