Certain basic skills and abilities are required for a student to attain the [Entry-Level Competencies for Registered Nurses](#) in British Columbia. I declare that I have read the document, “Requisite Skills and Abilities: Becoming a Nurse in British Columbia” found at the following link:

If now, or at any time during the BSN program, I believe I may have difficulty demonstrating meeting the Entry-Level Competencies for Registered Nurses and/or I would like assistance or accommodation to be able to demonstrate meeting the competencies, **I acknowledge that it is my responsibility to make this request** by contacting one of the following:
